2013 CAP Policy Meeting

May 6–8, The Fairmont, Washington, DC

Understand the issues facing pathologists and learn how you can impact the policies affecting your practice

Confirmed Speakers

The Honorable Nancy-Ann DeParle served as the Deputy Chief of Staff for Policy in the Obama administration from January 2011 to January 2013. Previously, she served as the director of the White House Office of Health Reform, leading the administration's efforts on health care issues, including the passing of the Patient Protection and Affordable Care Act.

Sean Cavanaugh is the Deputy Director, Programs and Policy, in the Center for Medicare and Medicaid Innovation at the Centers for Medicare and Medicaid Services (CMS). He started his career on Capitol Hill working for a member of the Ways and Means Health Subcommittee. He attended the University of Pennsylvania and the Johns Hopkins School of Hygiene and Public Health.

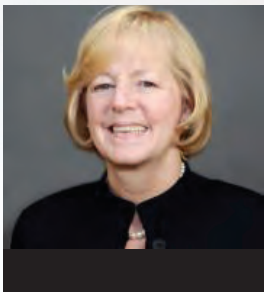

Charlie Cook is Editor and Publisher of the *Cook Political Report* and a political analyst for NBC News and National Journal. He is considered one of the nation's leading authorities on American politics and U.S. elections. In 2010, Charlie was a co-recipient of the American Political Science Association's prestigious Carey McWilliams award to honor "a major journalistic contribution to our understanding of politics."

Your path.
Your choice.
Shaping tomorrow.

2013 CAP Policy Meeting

May 6–8, The Fairmont, Washington, DC

Confirmed Speakers Continued

GRADUATE MEDICAL EDUCATION

Sheila Burke, RN, MPA, FAAN is Senior Public Policy Advisor, Baker, Donelson, Bearman, Caldwell & Berkowitz, Co-Director, Health Project, Bipartisan Policy Center and former Chief of Staff to then Senate Majority Leader Bob Dole (1985-96). She is a recognized leader in Medicare, Medicaid, and long-term care policy, and is committed to ensuring the health care agenda remains a topic of discussion and debate on the national level.

GRADUATE MEDICAL EDUCATION

Atul Grover, MD, PhD is Chief Public Policy Officer, Association of American Medical Colleges (AAMC) where he manages the health, educational, scientific and other policies developed by the AAMC. He also leads the association's advocacy efforts, leveraging the government relations and communications teams to advance the policy goals of the academic medicine community.

GENOMICS AND PERSONALIZED MEDICINE

Anita L. Allen, JD, PhD is a member of the Presidential Commission for the Study of Bioethical Issues. She is also the Henry R. Silverman Professor of Law and Professor of Philosophy at the University of Pennsylvania, where she is a Senior Fellow in the Bioethics Department, School of Medicine, and was formerly a Deputy Dean for Academic Affairs of the Law School. Dr. Allen is a distinguished scholar of privacy law and practical ethics and is recognized for her work on confidentiality in medicine, genetics and research.

VALUE-BASED PURCHASING

Shari M. Ling, MD is the Deputy Chief Medical Officer for the Centers for Medicare and Medicaid Services (CMS), and Medical Officer in the Center for Clinical Standards and Quality. She assists the CMS Chief Medical Officer in the Agency's pursuit of higher quality health care, healthier populations, and lower cost through quality improvement. Dr. Ling's long-standing focus is on the achievement of meaningful health outcomes through delivery of high quality person-centered care across all care settings.

Panels and Plenary Sessions:

- **Bundled and other Alternative Payment Models**
- **Value-based Purchasing: Challenges and Opportunities for Pathology and Laboratory Medicine**
- **Graduate Medical Education and the Future of the Pathology Workforce**
- **Pay-for-Performance**
- **Policy Implications for Advancing Genomic Medicine**

For more information on speakers and topics visit cap.org/advocacy.

Be there.
