“I love *NewsPath*’s podcasts. It’s a fast way to share the latest in pathology news in a portable and convenient way with my entire patient care team.”

**Vincent A. Graffeo, MD, FCAP
Huntington, West Virginia**

***NewsPath*[®] Critical Updates...by Pathologists...for Fellow Clinicians**

CAP members: Start spreading the news.

Email *NewsPath*’s critical updates on hot topics, changing guidelines, and best practices in pathology and laboratory medicine to other doctors today. It’s news that impacts their daily practice.

NewsPath is authored by pathologists and contains a comprehensive library of 500-word, peer-reviewed articles—a resource for the medical community offered by the CAP.

Share it with your colleagues—it’s easily downloadable and accessible via five-minute podcasts 24/7. Catalyze the transformation today!
